

# KHUSHI KUMARI

B. TECH CSE STUDENT

+916205750220	khushiimain2423@gmail.com	Jamshedpur, Jharkhand
---------------	---------------------------	-----------------------

Objective	As a first-year student, my primary objective is to combine technical learning with creative outreach. I aim to design impactful digital campaigns and educational resources that promote responsible tech use and innovation. I strive to apply my learning in real-world scenarios and contribute to creative digital solutions.
